

Company Profile

Zhejiang Kebo Electrical Appliances Co.,Ltd. was founded in 2002, is a national high-tech enterprise, specializing in the research and development, production, sales and service of solenoid valve and precision micro pump for intelligent home appliances. Main Products include washing machine valve&pump, water home appliances valve&pump, dishwasher valve&pump, water heater valve&pump, intelligent sanitary valve&pump, intelligent cleaning appliance valve&pump, coffee machine valve&pump etc seven series.

Basic Status

20 years dedicated to the field of solenoid valves
4 divisions, 6 marketing branches
The headquarter area $\geq 30,000\text{m}^2$
Building area $\geq 60,000\text{m}^2$
Production capacity: 60000000 pcs / year

R&D Capacity

Provincial Enterprise Technology Center
Provincial Enterprise Research Institute
Provincial High-tech Enterprises R&D Center
Doctor Innovation Station
1200 square CNAS test center
More than 200 patents.

Industry Position

Lead enterprise of solenoid valve in China
2 national standard, 6 industry standard drafting unit

Intelligent Manufacturing Capability

Digitalization Injection Workshop

Digitalization Coil Workshop

Digitalization Assemble Workshop

Intelligent Control Center

- National High-tech Enterprise;
- National SRDI “Little Giant” ;
- National Green Factory;
- Professional R&D team provides high precise molds and intelligent equipment;
- Three digitalization workshops, digital coverage>90%, 50 automation production lines, automation rate>85% ;
- Keep moving forwards intelligent factory construction, and upon 20% quality, manufacturing and operation enhancement.

INNOVATE FROM PRACTICE
SMART LEADS FUTURE
